RHODE ISLAND 2030

Charting a Course for the
Future of the Ocean State

A Working Document

Office of Governor
Daniel J. McKee

Office of Lt. Governor
Sabina Matos

“

“What we really need is climate in all policies in a way similar to we’re seeing in the Biden Administration, where climate is part of transportation, it’s part of economic developments. There’s no green economy— it’s the economy. All the investments we make need to be made with climate change as a lens.” - **Sue AnderBois, Climate & Energy Program Manager, The Nature Conservancy / Community Conversation Participant**

”

Presentation based on DRAFT Plan – public comments to be addressed in final version

A Plan for Improving Access to Electric Vehicle Charging Infrastructure and Clean Transportation Technologies in Rhode Island
